

Specializing in Furniture for
Residential Treatment Programs

Providing Furniture for Residential Treatment Programs for Over 20 Years

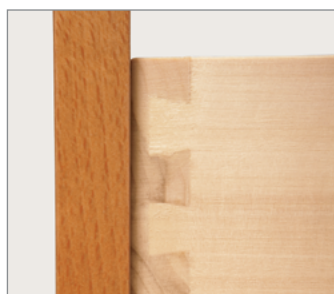

Butler provides furniture that is both durable and comfortable for residential treatment programs. We work closely with each client and approach each project as a partnership. We understand the financial burdens and other challenges like healthcare needs and bed bug prevention you face and will work with you to develop the right furniture solution for your budget.

Our Products are Built for Your Environment

Solid wood posts for maximum structural support

Hardwood drawer box construction with double drawer fronts and English dovetail joinery for extra strength

Mortise and tenon support rail adds durability

Merit powder coated steel drawer bodies offer maximum strength and easy-clean structure

Merit metal beds use steel welded construction for maximum strength and radius frame corners to eliminate sharp edges

Sealed surface frames that eliminate hiding places that harbor bed bugs

Butler offers over 500 vinyl fabric options with features that will help your furniture last longer and look better with everyday use

- The Dual Firm and XP Plus mattresses offer inverted stitched seams to minimize hiding places that harbor bed bugs
- No brass vents which permit bed bug access to mattress interior
- Nylon fluid and tear resistant cover
- 1-5 year warranties
- California TB 129 and CPCS CFR Flammability tested
- XP Plus Boston IX-11 flammability tested
- Bacterial and fungal resistant

Why Butler?

1. Durability and Selection

Butler makes exceptional quality furniture built for long-term performance. We offer a wide variety of furniture to suit the specific needs of each housing program. We provide a variety of styles of fully upholstered seating, 500+ fabric and vinyl options, bed bug resistant beds and bedding, and a 10 year warranty on most of our products.

EFFICIENCY

2. We Offer Full Service Delivery and Installation

Our delivery team has extensive experience with multi-unit installations. Installations include furniture placement and the removal of all packing materials. We can deliver any size orders from large multi-unit projects to one chair.

3. Regional Sales Reps and Sales Support Staff

Experts in the Human Services market, our Regional Sales Managers will assist in all aspects of purchasing furniture from layout configurations, and CAD drawings to furniture selection to suit your needs and budget.

4. Fast Shipping

Depending on your location, Butler has hundreds of products that are available to ship quickly. Ask your sales representative which delivery options are available in your area.

5. Superior Value

Our products perform well in hard use areas and are designed for long term performance. With over 20 years experience in the human service industry, we understand how important it is to buy furniture that lasts. Low cost furniture options are enticing, but lead to replacing furniture within a year, which means spending more time and money resulting in higher operating costs.

Butler Human Services is a Corporate Sponsor of the following organizations:

Plan and design your facilities with Butler's many styles, designed to fit your varied needs. We offer a variety of fully-upholstered seating and rocker/recliners through the Quick Ship program. Our Custom Made program collections include over 1,000 fabrics and vinyls to choose from to create your ideal look.
