BED BUG RESISTANT BEDS & MATTRESSES

- **Powder Coating** - Easy to clean, high-quality finish.
- **Heavy Gauge Steel** - Provides maximum strength and durability.
- **Sealed Surface Frames** - Eliminates places for bed bugs to hide.
- **Inverted Seams** - Keeps bed bugs out of mattresses.
- **Sealed Platforms** - Used in place of a box spring or spring base to prevent moisture and bed bugs.

Sealed surface frames eliminate hiding places that harbor bed bugs.

Butler metal beds use steel welded construction for maximum strength, and radius frame corners to eliminate sharp edges.

Merit powder coated steel drawer bodies offer maximum strength and easy-clean construction.

Exceptional Value

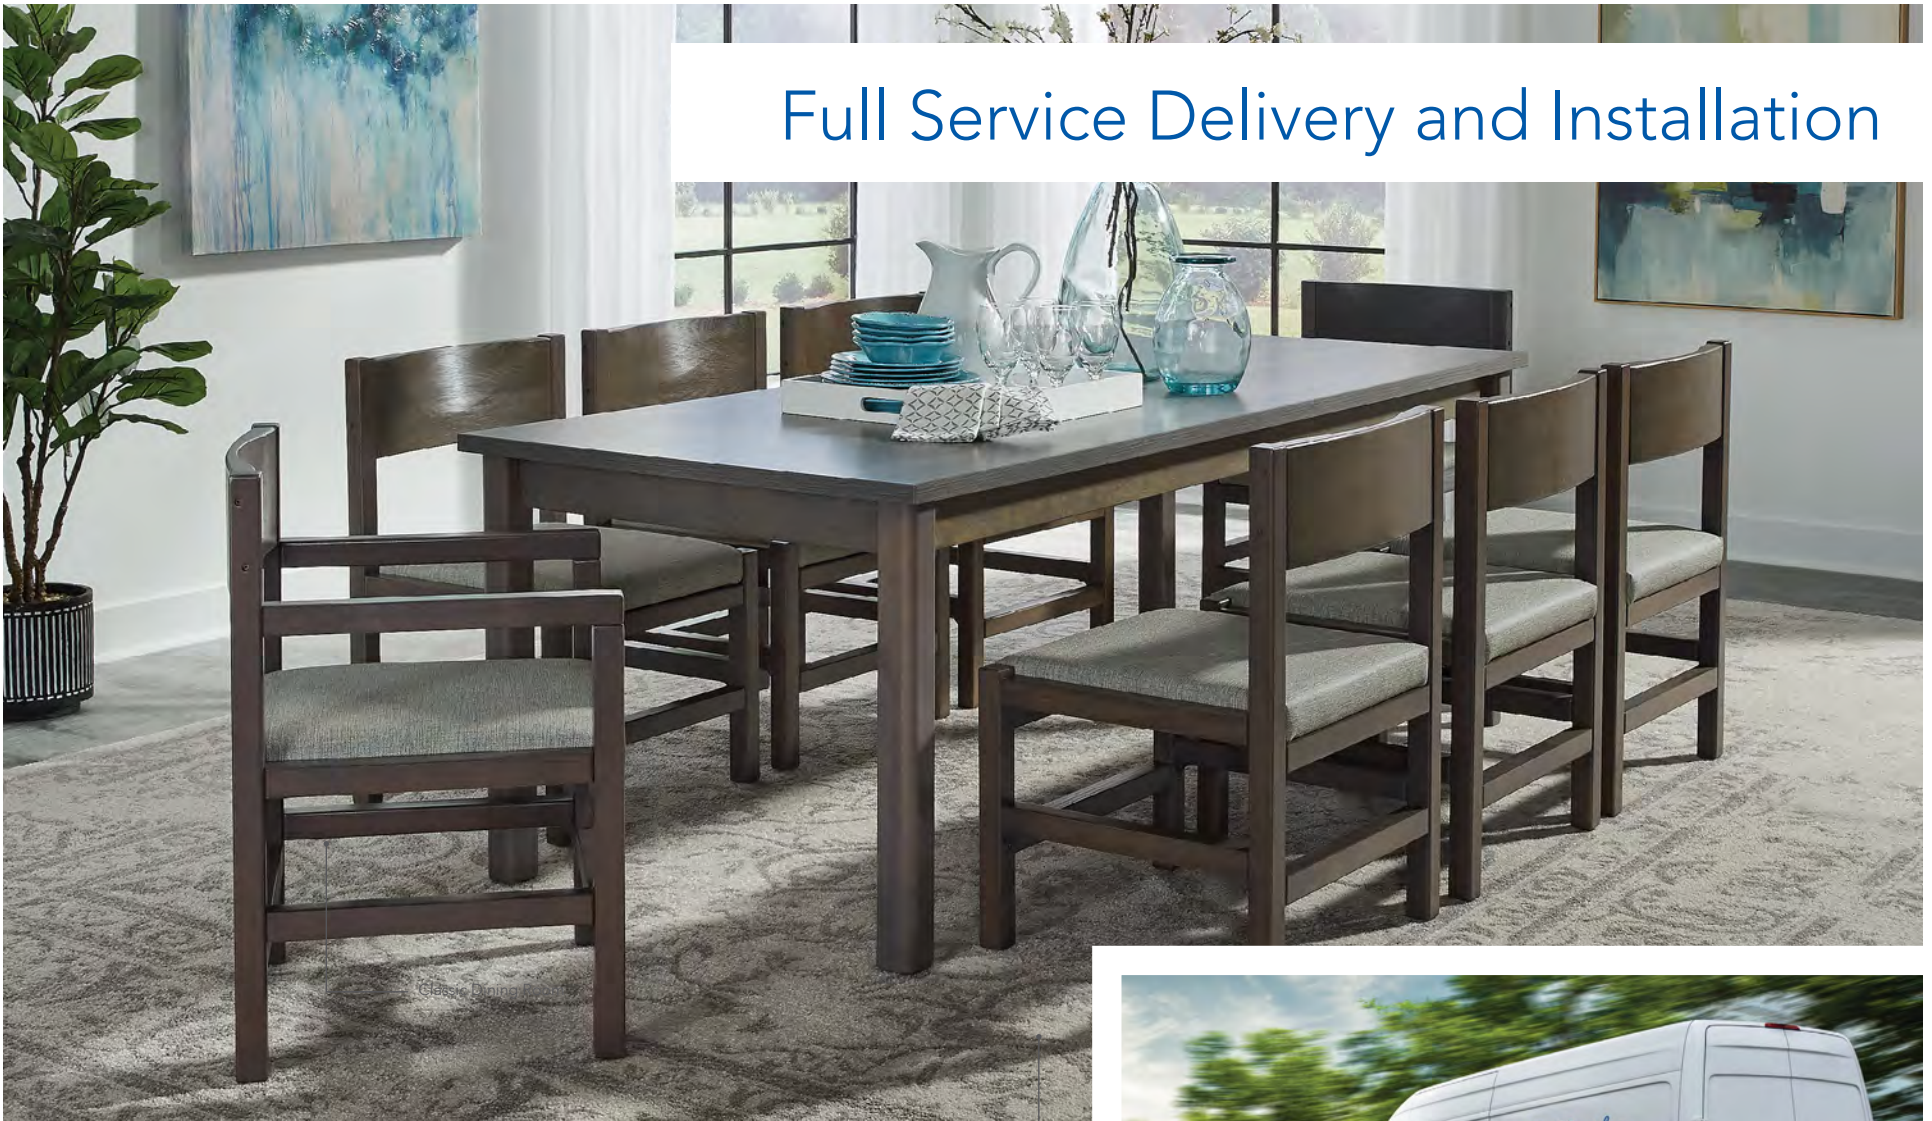

Lenox Bedroom

BEST PRICE FOR THE GREATEST VALUE

Butler understands how important it is to buy furniture that lasts. Low-cost options are enticing but lead to replacements within a year or two, which means spending more time and money, resulting in higher operating costs. Butler offers the best price for the best value. That's because we provide a superior quality product that will last longer and cost less in the long run.

Full Service Delivery and Installation

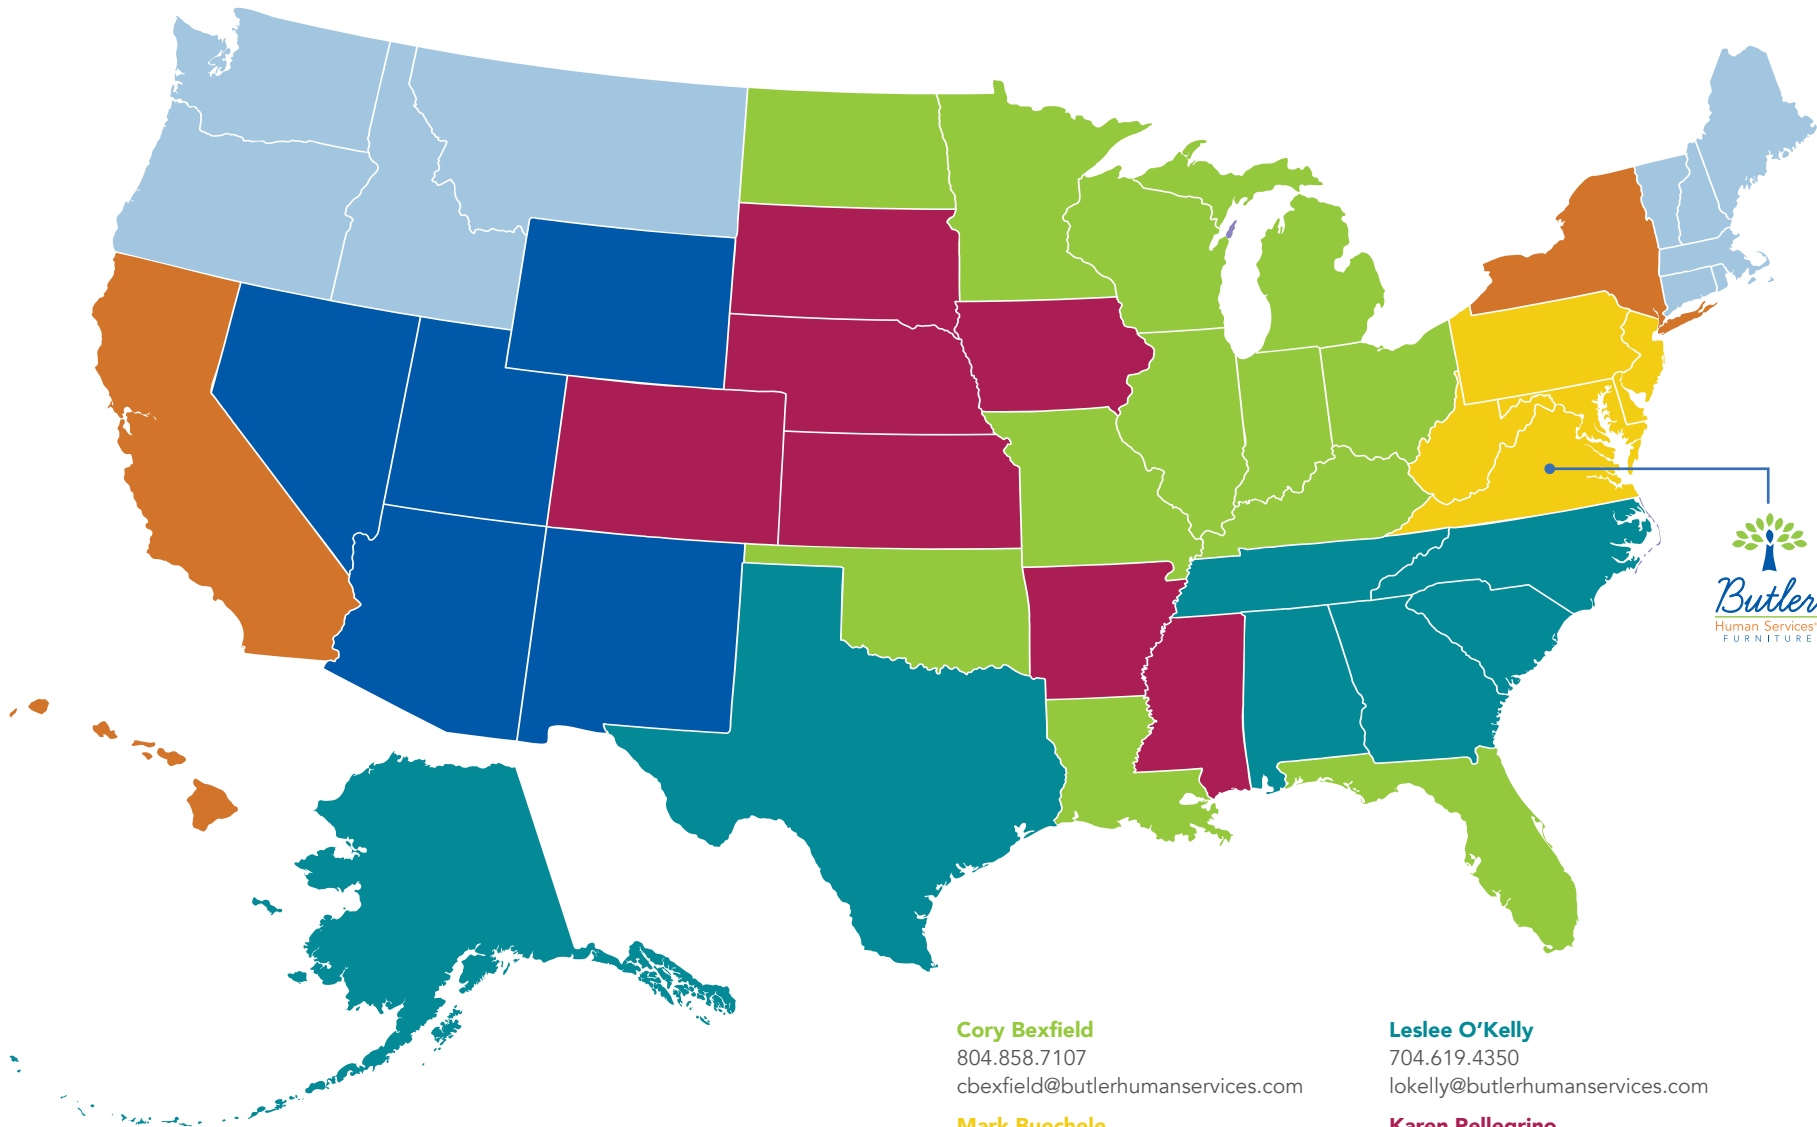

WORRY FREE INSTALLATION

We have experience delivering **every size** project, whether a large multi-unit project or a single chair. Our services include furniture placement according to blueprints and removing all packing materials.
