A Customer-focused Collaboration

Butler Human Services® Furniture and Spec™ Furniture

Established in 1991 out of a desire to bring a unique customer-oriented approach to the contract marketplace, Spec designs durable, elegant furniture that excels at meeting all core requirements. Combined with a vast array of options, choices, price points, and scales, customers can specify the best possible solution for them.

Spec is recognized as a market leader in the quality, design, and engineering of contract furniture products, focusing on a wide range of markets and designs. Thousands of Spec product installations are in use throughout North America, supported by an industry-leading warranty and a dedication to outstanding customer service.

Butler is pleased to offer a collection of products made by Spec Furniture, a name synonymous with providing quality furniture engineered to meet the needs of the behavioral health industry.

Hardi Rocker

Behavior Health Furniture Built Better

Tailor HD

Hardi Collection

The Hardi Collection can be used anywhere, from the most clinical of settings to calming therapy rooms, activity spaces and patient rooms, to cafeterias and beyond, Hardi has a solution — all models feature the same durable build. Blending safety and well-being into one contoured design, each product in the Hardi series offers comfort to the eye and to the user.

- One piece construction made from roto-molded polyethylene, making the products virtually indestructible
- Nickel-plated, non removable nylon glides secured with Loctite®
- Floor mounting kits available (sold separately)
- Infused with antimicrobial compounds & UV stabilizers
- No protruding legs or hardware
- Easy to clean and maintain
- Choose from six color options, created to provide a soothing atmosphere (colors shown on page 2)

Hardi Rocker

Design Details

The Hardi Collection meets every need with features and options that address the requirements of behavioral health spaces.

Hardi sits tightly to the ground. Nylon glides are optional.

Shallow hand grips make Hardi designs difficult to pick up yet easy to adjust while seated.

The one-piece construction prevents concealment.

Most Hardi models can be weighted on site. A spun-in cap on the underside is secured with tamper-proof fasteners.

Hardi Lounge

Hardi Rocker

Hardi Seating

Deliberately designed to reduce ligature points, Hardi chairs create a seamless transition between armrests and back. Chairs can be weighted with sand or fastened to the floor in high-risk patient spaces for added security.

Features and Benefits:

- One piece construction made from roto-molded polyethylene, which makes the products virtually indestructible
- Easy to clean
- Infused with antimicrobial compounds & UV stabilizers
- No protruding legs or hardware
- Shallow hand grips make Hardi difficult to pick up yet easy to adjust when seated
- Hardi Heavy Duty seating products are durability tested to 500 lbs
- 25-year warranty

Options:

- Upholstered seat cushion available (not available on Hardi stool)
- Can be weighted on site with sand. Spun-in cap closes the opening, secured with tamper-proof fasteners
- Floor mounting kids available
- Nickel plated non-removable nylon glides secured with Loctite® (not available on Hardi Rocker)

Hardi Stool

Choose from six color options created to provide a calm and soothing atmosphere

Pigeon Blue

Pale Green

Beige Grey

Slate Grey

Dusty Grey

Silk Grey

Hardi Children's Seating

The Hardi children's chair provides a secure seating option for young patients. Chairs can be securely fastened to the floor or weighted down with sand on site to prevent easy movement. The sleek design of the roto-molded build makes Hardi an ideal choice for child-friendly behavioral and healthcare settings.

- Seats standard at 15" high
- Nickel-plated, non removable nylon glides secured with Loctite®
- Upholstered seat cushion available
- Floor mounting kits available
- Sand installation is available in some cases. Contact your Sales Rep for pricing and more information.
- Choose from six warm finish colors
- 25-year warranty

Hardi Bedroom

Hardi Bedroom furniture maintains a cohesive design so you can be consistent in feel and quality throughout an entire facility. The patient bed and bedside table feature a biophilic texture on the outer case, bringing a touch of nature indoors. Both visually appealing and easy to clean while prioritizing comfort and creating tranquil and personal spaces for patients.

Features and Benefits:

- Heavy duty, one piece construction made from roto-molded polyethylene makes the products virtually indestructible and eliminates spaces for hidden contraband
- Bed bug resistant - no crevices for bed bugs to hide
- Easy to clean
- Infused with UV stabilizers and antimicrobial compound
- No protruding legs or hardware
- Bed can be weighted on site with sand. Spun-in cap closes the opening, secured with tamper-proof fasteners
- Static load tested to 1400 lbs
- Tamper resistant mattresses are available
- Hardi Bed comes standard with nickel plated, non removable glides secured with Loctite® (not available on Bedside Table)
- 25-year warranty
