

Butler Human Services manufactures high-quality solid wood furniture using a variety of yellow hard wood and pine to suit each application best. Butler partners with wood suppliers who are leaders in renewable resources and have a long record of reforestation history. All of the wood is select, contract grade, free of checks and any other defect that may affect structural integrity. Furniture from Butler employs a two and three-ply panel construction to provide maximum durability and endurance.

## Standard Features & Options

- Solid beech construction
- High pressure laminate tops
- Impact resistant PCV edge banding
- Multiple pre-catalyzed lacquer finishes available
- Penetrating oil base stain and sealer protects against nicking, fading, and water spotting
- 10-year warranty
