

Protect your investment.

How to care for your fabric.

Fabric: Independence
Type: Vinyl

Independence vinyl features a **FORBID** topcoat.

FORBID dramatically increases the stain resistance, while preserving the integrity of the fabric luster and softness.

CLEANING CODES

Method 1: *Dirt, Penmarks, Blue Jean*

For most common stains and spills, use mild soap and water.

Method 2: *Dirt, Penmarks, Ketchup, Mustard, Lipstick, Nail Polish, Blue Jean*

If Method 1 doesn't work, use the following household items; FANTASTIC – 409 – MR. Clean.

Method 3: *Penmarks, sharpie, Paint, Ketchup, Mustard, Lipstick, Nail Polish, Blue Jeans*

For tougher stains such as sharpie, paint and lipstick, use a 70% isopropyl alcohol wipe.

The results for the cleaners/disinfectants listed does not imply “approved” or that the results are guaranteed. These evaluations are indicators after laboratory testing and may not be indicative of field performance. Customers should first determine if products are appropriate for use on their surfaces.

The majority of today's disinfectant chemistries are mainly designed for use on hard environmental surfaces such as ceramic, porcelain, laminate, steel etc. After each application these types of disinfectants on seating surfaces the surface must be wiped with clean water and dried with a clean towel to remove any chemical residue that could eventually discolor or degrade the material surface. Failure to follow the above dilution recommendations, directions when using these types of cleaners/disinfectants or the application of a clean water rinse after each application can expedite a product failure and will void any warranty claim.
